

an inspiring example to all. I am so grateful for his lifetime of advocacy, leadership, and service, and his passion for helping veterans in need. I extend my best wishes for happiness, health, and many Spartan victories in his retirement. The legacy of his life of service, his exemplary career, and his compassion for the plight of those who serve will live on in the hearts and lives of all those he reached, in the foundation he built with the Ingham County Veterans Treatment Court, and here, in the United States House of Representatives.

HONORING DR. ALINA ALONSO

HON. LOIS FRANKEL

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Thursday, December 8, 2022

Ms. LOIS FRANKEL of Florida. Madam Speaker, I rise today to honor Dr. Alina Alonso, a distinguished and fearless health care leader. I thank her as she retires as Director of the Florida Health Department of Palm Beach County and wish her great joy on her next journey.

Dr. Alonso has served Palm Beach County for over 33 years, including as its Director of our Health Department for the last 13. Using her training in Bio-Chemical Terrorism and Weapons of Mass Destruction, she handled the first inhalation of anthrax case in recent U.S. history. More recently, Dr. Alonso selflessly guided our community through the darkest days of the COVID-19 pandemic, setting up testing, treatment, and vaccination sites throughout Palm Beach County, working closely with local leaders, and reaching underserved areas.

Since becoming Director of the Health Department in 2009, Dr. Alonso has overseen the operations of one of the largest county health departments in the State of Florida. With over 720 employees, the Palm Beach County Health Department provides a full range of primary and preventative services to seven health centers located throughout Palm Beach County. Epidemiology, Communicable Disease Control, and Emergency Preparedness are a few Public Health services offered by the Health Department, making it a nationally recognized academic organization in a class by itself.

Dr. Alonso proudly combines her Cuban heritage and her experience and training in Mexico and Central America to stay active in patients' rights advocacy, minority health issues, cultural diversity, population health, and health equity. As an immigrant from Cuba, she has stated that being an immigrant was a push to keep reaching higher. Dr. Alonso has won numerous awards and recognitions in her many years of Public Health service. In March 2022, she was named one of USA Today's "Women of the Year."

Dr. Alonso's dedication to health care access and her service to the people of South Florida is truly admirable. I feel blessed to have worked with her and to get to know her beautiful heart and see first-hand her dedication and excellence. I am proud to honor her today, thank her for her service, and wish her the very best for a future filled with great health and happiness.

HONORING MAYOR MARK
LANDMAN

HON. MIKE THOMPSON

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, December 8, 2022

Mr. THOMPSON of California. Madam Speaker, I rise today to honor Mark Landman of Cotati, California in honor of his retirement and thirteen years as a council member and mayor.

Mr. Landman was born in San Francisco, California. Following his graduation from the College of Marin, where he studied Fire Science, Mr. Landman completed a Mobile Intensive Care Paramedic Program at Stanford University. As one of the first ten paramedics in Marin County, Mr. Landman worked in the fire service for decades, serving as Chair of the Marin Paramedic Advisory Committee, Vice President of Novato Professional Firefighters and on the National Fire Protection Association Contract Negotiation Team.

In 2008, Mr. Landman was elected to the Cotati City Council. During his tenure, Mr. Landman led efforts to reduce speeding, keep out-of-town trucks from using local roads and renovate the Cotati Rose Garden. His steadfast support of the Cotati Police Department has significantly enhanced community safety and his commitment to careful spending has led to a balanced budget for more than a decade. As chair of the Sonoma County Transportation Authority, he played a key role in expanding Highway 101 and paved the way for countless other projects. Mr. Landman was an important figure in Cotati being the first city in Sonoma County to transition its police fleet to all electric vehicles. Mr. Landman is a three-time Mayor of Cotati, former Local Agency Formation Commissioner and a 2015 Cotati "Citizen of the Year".

In addition to his work as a public servant, Mr. Landman has been a prominent supporter of many nonprofits and local organizations. As Chair of the Russian River Watershed Association, he helped bring safe medicines to the region and remove unused pills from watersheds across Sonoma County. He has also served on the boards of the Cotati Arts Program and Sonoma Clean Power.

Madam Speaker, I thank Mayor Landman for his selfless service and commitment to the people of Cotati. His efforts have made Cotati a safer, greener and more prosperous city. Therefore, it is fitting and proper that we honor him here today.

HONORING SENIOR AIRMAN MARIO
HERNANDEZ UPON RECEIVING
THE DISTINGUISHED FLYING
CROSS

HON. JOHN GARAMENDI

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, December 8, 2022

Mr. GARAMENDI. Madam Speaker, I rise today to honor and commend Senior Airman Mario Hernandez of the 60th Air Mobility Wing upon receiving the Distinguished Flying Cross for his service, dedication, and sacrifice during Operation Allies Refuge. He exemplifies the best of America, and his tireless efforts guar-

antee the safety of all those who call America home.

Last year, the servicemembers of the 60th Air Mobility Wing met a challenge of colossal scale when they played a pivotal role in completing the drawdown of forces from Afghanistan. This command was critical in the largest noncombatant evacuation operation in known history, Operation Allies Refuge, ultimately saving over 124,000 lives. The 60th Air Mobility Wing directly supported the evacuation of nearly 13,000 Afghans while simultaneously managing the security and operations at Hamid Karzai International Airport. I have listened to countless stories from this group of brave men and women that exemplify the character, leadership, and bravery that is cultivated at Travis Air Force Base.

Service records only scratch the surface of the courageous actions performed by the 60th Air Mobility Wing. They put their hearts and lives on the line to save so many. These valiant servicemembers like Senior Airman Mario Hernandez epitomize the values of courage and patriotism.

On behalf of a grateful country and all the constituents of California's Third Congressional District, I would like to congratulate Senior Airman Mario Hernandez of the 60th Air Mobility Wing for receiving the Distinguished Flying Cross and extend my sincere gratitude for his sacrifice and contributions to the defense of this great country.

HONORING GILLETTE CHILDREN'S
SPECIALTY HEALTHCARE ON ITS
125TH ANNIVERSARY

HON. BETTY McCOLLUM

OF MINNESOTA

IN THE HOUSE OF REPRESENTATIVES

Thursday, December 8, 2022

Ms. McCOLLUM. Madam Speaker, I rise to recognize and celebrate Gillette Children's Specialty Healthcare of Saint Paul, Minnesota on its 125th anniversary of providing world class, compassionate care for children and their families.

Founders Jessie Haskins and Dr. Arthur Gillette recognized the need for a place where children with disabilities could receive state-of-the-art care made specifically for their needs. In 1897, the Minnesota legislature created what would later become Gillette Children's Hospital, the first institution in the United States to focus exclusively on treating children with disabilities. Today, Gillette is celebrating 125 years of outstanding, groundbreaking treatment of children in our community and from around the world.

Gillette Children's serves an important calling in our state and nation. By focusing on what a child is capable of, rather than the ways they are limited, Gillette Children's makes the difference in how a child will recover and grow after receiving care. In its 125 years of existence, Gillette Children's has improved the lives of countless children and their families from around the world.

Gillette Children's is not just a hospital. It is a special place that fosters a healing environment for its patients and their families. By providing care through adulthood, Gillette Children's creates deep and meaningful bonds between the children, physicians, staff, and volunteers that last a lifetime. This unique approach to treatment is one of the many reasons why Gillette Children's stands out as an

extraordinary example of excellence in care and community stewardship.

Gillette Children's provides modern care in an ever-changing world. By remaining on the cutting edge of technology, Gillette Children's stands alone in its ability to treat young patients who experience the most complex, traumatic, and rare conditions. When a child is referred to Gillette Children's, it is because they require specialized care by top experts in the field, and each patient receives nothing less. Through the COVID-19 pandemic, Gillette Children's remained steadfast in their commitment to treating patients in a safe environment, pausing procedures when necessary and now proudly offering vaccines for the youngest and most vulnerable Minnesotans.

Since its founding, Gillette Children's has structured its care model around each child's specific needs, bringing together experts from many areas to address these needs at once—sometimes even in one visit. Each child's emotional wellbeing remains at the core of Gillette Children's approach to care, and we are so fortunate to have a committed, compassionate care center in our backyard.

Madam Speaker, please join me in honoring the 125th anniversary of Gillette Children's Specialty Healthcare for all that it does to improve the lives of children.

HONORING FRANKIE HARDAWAY

HON. DWIGHT EVANS

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, December 8, 2022

Mr. EVANS. Madam Speaker, I rise today to honor the life and legacy of Mrs. Frankie Hardaway. Frankie was a community-oriented woman who led a fulfilling life and broke barriers in her career.

Frankie was born on March 29, 1934, in Augusta, GA to Alonso and Alma Gadley. She moved to Philadelphia, PA with her family in 1942. Frankie graduated from West Philadelphia High School in 1953 and became a Practical Nurse. She married Lucius Hardaway in 1956 and together they had three sons.

In 1977, Frankie joined Southeastern Pennsylvania Transit Authority (SEPTA) as a trolley operator. In 1982, she completed a month-long training program and became the company's first female train operator. SEPTA described her as a "legend", she was a trailblazer in her field. She faced many obstacles during her training period. She handled them with dignity and class and became a well-respected peer amongst the train-operator community. Mrs. Hardaway retired from SEPTA in 1999 having held a groundbreaking career. She understood that being the first in her field would be difficult but an important task to ensure opportunities for those who would follow.

Outside of her career with SEPTA, Frankie was an established businesswoman who owned a dry-cleaning business with her husband, she was a seamstress and worked for the Internal Revenue Service performing data entry tasks. In her spare time, Frankie loved to read and stay active and engaged in the community.

Frankie passed away on November 10, 2022, peacefully at home surrounded by family. She was a loving matriarch, friend and relative who exuded a generous spirit and devo-

tion to others. The 3rd Congressional District of Pennsylvania mourns with her family and extends our sincere appreciation to her accomplishments.

INTRODUCTION OF THE MAJOR GENERAL DAVID F. WHERLEY, JR., DISTRICT OF COLUMBIA NATIONAL GUARD RETENTION AND COLLEGE ACCESS PROGRAM ACT

HON. ELEANOR HOLMES NORTON

OF THE DISTRICT OF COLUMBIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, December 8, 2022

Ms. NORTON. Madam Speaker, today, I introduce the Major General David F. Wherley, Jr., District of Columbia National Guard Retention and College Access Program Act. This bill would permanently authorize funding for the Major General David F. Wherley, Jr., District of Columbia National Guard Retention and College Access Program, which provides tuition and other financial assistance for higher education to members of the D.C. National Guard, which is an exclusively federal entity.

This program and bill are named for Major General David F. Wherley, Jr., former Commanding General of the D.C. National Guard, who, along with his wife, Ann, and seven others were tragically killed when Metro trains collided on the Red Line on June 22, 2009. I renamed this bill after Major General Wherley because he worked tirelessly with me for many years to get funding for this program, and because of his devotion to D.C. youth and to the D.C. National Guard.

This program was recommended by Major General Wherley and his successor at the D.C. National Guard, Major General Errol Schwartz, to stem the troublesome loss of D.C. National Guard members to other units, including National Guards in surrounding states that offer assistance for higher education to their members. I am grateful that Congress has consistently provided funding for this program, most recently \$600,000 in fiscal year 2022. Permanently authorizing this program will help ensure that members of the D.C. National Guard receive the same benefits as members of other National Guards and help the D.C. National Guard recruit and retain members.

This program not only benefits D.C. National Guard members, the great majority of whom live in Maryland or Virginia, but also helps the D.C. National Guard to maintain the force necessary to protect the federal presence in D.C.

I urge my colleagues to support this bill.

HONORING SENIOR AIRMAN DENIECE LOBBAN UPON RECEIVING THE DISTINGUISHED FLYING CROSS

HON. JOHN GARAMENDI

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, December 8, 2022

Mr. GARAMENDI. Madam Speaker, I rise today to honor and commend Senior Airman Deniece Lobban of the 60th Air Mobility Wing upon receiving the Distinguished Flying Cross for her service, dedication, and sacrifice during

Operation Allies Refuge. She exemplifies the best of America, and her tireless efforts guarantee the safety of all those who call America home.

Last year, the servicemembers of the 60th Air Mobility Wing met a challenge of colossal scale when they played a pivotal role in completing the drawdown of forces from Afghanistan. This command was critical in the largest noncombatant evacuation operation in known history, Operation Allies Refuge, ultimately saving over 124,000 lives. The 60th Air Mobility Wing directly supported the evacuation of nearly 13,000 Afghans while simultaneously managing the security and operations at Hamid Karzai International Airport. I have listened to countless stories from this group of brave men and women that exemplify the character, leadership, and bravery that is cultivated at Travis Air Force Base.

Service records only scratch the surface of the courageous actions performed by the 60th Air Mobility Wing. They put their hearts and lives on the line to save so many. These valiant servicemembers like Senior Airman Deniece Lobban epitomize the values of courage and patriotism.

On behalf of a grateful country and all the constituents of California's Third Congressional District, I would like to congratulate Senior Airman Deniece Lobban of the 60th Air Mobility Wing for receiving the Distinguished Flying Cross and extend my sincere gratitude for her sacrifice and contributions to the defense of this great country.

TRIBUTE TO THE LIFE OF LAWRENCE BUTLER, JR.

HON. DANNY K. DAVIS

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Thursday, December 8, 2022

DANNY K. DAVIS of Illinois. Madam Speaker, Lawrence Butler, Jr. was born in Natchez, Mississippi on November 25th to Ellen Shaw Butler and Lawrence Butler, Sr. He was the only son and the youngest of three children. He had two sisters: Clara Butler Watts and Regina Butler Davis. The family attended Greater Fatherland Baptist Church.

After attending Southern University and A&M College in Baton Rouge, Louisiana, he moved to Chicago, where he lived with his Uncle Harrison Shaw. Lawrence fell in love with Chicago and got busy making a life for himself in the Windy City. He began working as a bus driver for the Chicago Transit Authority but was drafted into the Army where he served as a military policeman. After serving his country, he returned to Chicago and joined the Chicago Police Department. He wore the badge with pride and honor for 34 years and enjoyed protecting and giving back to the city that he so cherished.

Lawrence's life truly began when he met and fell in love with a beautiful young lady by the name of Beverly. Lawrence and Beverly married on September 21, 1975. Shortly afterwards, Beverly and Lawrence purchased what would become their family home a beautiful old Victoria in the historical Austin Schock District.

Lawrence would spend the next several years working alongside his father-in-law to lovingly restore every square inch of the home
